

Summer School

Encore offers Summer School to currently enrolled Butler County high school students who need to take a course to keep current with their classes.

Check with your school counselor for the necessary paperwork to enroll.

Enrollment for Summer School sessions take place in May. The courses are generally held Monday – Thursday for three weeks at our various Encore sites.

Availability is limited, so enroll early! Daily attendance is necessary to complete the course work on time. Encore charges a fee of \$150 and requires permission from parents and sponsoring schools.

Don't miss out! Graduate with your class!
