

New Directions Program Information

Course For A Fee

Do you need to take a math course to join a union? Are you in a dead end job? Could you benefit by extending your office skills by taking a computer class? Would you like to improve your math or English skills?

If you have a high school diploma and would like to enhance your education, New Directions Learning Academy offers courses for a fee of \$130 per class.

Some courses offered include:

- Algebra and Geometry
- Language Arts Skills
- Computer Applications
- And more

**785.228.2336 or
785.234.9887**
